

PROFESSIONAL EXPERIENCE

Finli – Frontend Engineer L3 (Mid Level)

Aug. 2022 - Dec. 2023

- Crafted core UI components using state-of-the-art JavaScript frameworks like Next.js, ReactJs, and TypeScript, aimed at enhancing user engagement and interaction.
- Enhanced Invoice builder, enabling scheduled invoices and multi-customer invoicing as well as recording 3rd party payments on invoices..
- Rebuilt Finli's payments page to allow for users to schedule payments to occur on the scheduled invoice due date.
- Revamped member onboarding to give it a fresh new look. Updated our customer facing data tables by making them filterable as well as displaying the new information made available by the Invoice Builder
- Worked with CI/CD pipelines to streamline the development process and ensure timely, reliable software delivery.
- Utilized Docker for containerization to ensure consistent environments across development, testing, and production.
- Collaborated with backend teams using Kubernetes for the deployment and scaling of applications.
- Managed tasks and workflows using project management tool ClickUp, ensuring efficient project management and collaboration.

COURSES COMPLETED

FreeCodeCamp

JavaScript Algorithms and Data Structures

Jan. 2021

- Covered the fundamentals of JS, including Object Oriented and Functional Programming.
- Focused on data structures such as Hash Maps, Binary Trees, Stacks/Queues, Linked Lists, etc.

Responsive Web Design

Jan. 2021

- Learned HTML, CSS, and JS fundamentals and applied them to make modern and responsive static websites.

Front End Development Libraries

Mar. 2021

- Covered major front-end libraries, particularly React & Redux, and combined my knowledge of HTML, CSS, and React to create fun, small-scale applications.

SKILLS & INTERESTS

Frontend: JavaScript, Next.js, React.js, MUI, Tailwind CSS, TypeScript, HTML

Backend/DevOps.: Java, SQL, Node.js, Git, Docker, Prisma, Azure, MySQL

Interests: Basketball, Tabletop Games, PC building, Cooking

EDUCATION

San Francisco State University
B.A. in Communication Studies

Aug. 2018 - May 2020
